

Trinity Turbine Environmental, Health, and Safety Manual

Table of Contents

TRINITY TURBINE - ENVIRONMENTAL, HEALTH, & SAFETY POLICY STATEMENT	6
TRINITY TURBINE - INTRODUCTION AND GENERAL CONSIDERATIONS	7
I. Introduction	7
II. Management Responsibilities.....	7
III. Employee Responsibilities	8
TRINITY TURBINE - SAFETY POLICY	11
I. Introduction	11
II. Trinity EHS Policy – Understanding and following the EHS Policy	11
III. Company EHS Policies and Responsibilities	12
IV. Safety Meetings	13
V. Safety Pre- Employment and Pre-Job Orientations	14
VI. Sub-Contractor Safety Relations.....	14
TRINITY TURBINE - MEASURING SAFETY	16
TRINITY TURBINE -DISCIPLINARY ACTION FOR SAFETY VIOLATIONS	18
TRINITY TURBINE - SAFE CONDUCT IN THE WORK PLACE	19
TRINITY TURBINE - MEDICAL AND FIRST AID	22
I. Introduction	22
II. Assessing The Injury.....	22
III. Guidelines for First Aid and Medical Assistance	22
IV. Securing Medical Services.....	22
V. Reporting Procedures	22
VI. Providing First Aid and CPR Training.....	23
VII. Maintaining First Aid Supplies and Equipment.....	23
VIII. Fire Protection	24
TRINITY TURBINE - BLOODBORNE PATHOGENS EXPOSURE CONTROL PLAN	27
TRINITY TURBINE - HAZARD ASSESSMENT & PERSONAL PROTECTIVE EQUIPMENT SELECTION	34
I. General Requirements	34
II. Hazard Assessment and Selection.....	35
III. Head Protection	35
IV. Eye and Face Protection	36
V. Foot Protection	37
VI. Hand Protection.....	37

VII. Chemical Resistant Clothing.....	37
VIII. Hearing Protection.....	38
TRINITY TURBINE - RESPIRATORY PROTECTION PROGRAM.....	40
TRINITY TURBINE - PROTECTING AGAINST BENZENE EXPOSURE.....	50
TRINITY TURBINE - CADMIUM POLICY.....	52
TRINITY TURBINE - HYDROGEN SULFIDE (H2S).....	57
TRINITY TURBINE - LEAD PROTECTION PROGRAM.....	60
CHART1 - Respiratory Protection for Lead Aerosols.....	66
TRINITY TURBINE - HAZARD AWARENESS TRAINING – LEAD.....	67
TRINITY TURBINE - WORKPLACE CRYSTALLINE SILICA PROTECTION PROGRAM.....	69
TRINITY TURBINE – ASBESTOS POLICY.....	77
ATTACHEMENT I - ASBESTOS CONTAINING MATERIALS.....	81
ATTACHMENT II - ASBESTOS HEALTH HAZARDS.....	82
ATTACHMENT III - ASBESTOS HAZARD WARNING SIGNS AND LABELS.....	83
TRINITY TURBINE - Hexavalent Chromium Compliance Standards and Awareness Guide.....	84
TRINITY TURBINE - Protecting Against Heat Stress.....	94
TRINITY TURBINE - CONFINED SPACE ENTRY.....	96
I. Introduction.....	96
II. Identification of Confined Spaces.....	96
III. Hazards.....	97
IV. Isolating the Confined Space.....	98
V. Cleaning the Space Before Entry.....	98
VI. Testing the Atmosphere.....	98
VII. Planning the Entry.....	99
VIII. Ventilating the Confined Space.....	99
IX. Entering the Space.....	100
X. Using Equipment in Confined Spaces.....	101
XI. Training.....	101
XII. Safety Briefing Report and Confined Space Closeout.....	102
TRINITY TURBINE - CONTROL OF HAZARDOUS ENERGY (LOCKOUT/TAGOUT).....	103
TRINITY TURBINE - ELECTRICAL SAFETY.....	112
TRINITY TURBINE - GROUND FAULT PROTECTION.....	116
TRINITY TURBINE - CRANES & HOISTS.....	121
I. General Work Practices and Requirements.....	121
II. Overhead and Gantry Cranes.....	123
III. Mobil Cranes.....	125

- IV. Preventive Maintenance 126
- V. Rope Inspections..... 127
- VI. Training 127
- TRINITY TURBINE - RIGGING AND MATERIAL HANDELING..... 129**
- I. Introduction 129
- II. Responsibilities 129
- III. Loading and Off-Loading Safely 130
- IV. Using Hand Signals 131
- V. Working with Loose Gear..... 131
- VI. Inspecting Wire Rope..... 134
- VII. Using Tag Lines..... 135
- TRINITY TURBINE - FALL PROTECTION SYSTEMS 137**
- I. General 137
- II. Safety Monitoring Systems 137
- III. Connectors, Dee-Rings and Snaphooks 137
- IV. Lifelines and Lanyards..... 138
- V. Components..... 138
- VI. Training Requirements..... 139
- VII. Fall Protection Plans 140
- VIII. Controlled Access Zones 141
- IX. Safety Monitoring System..... 142
- X. Equipment and Raw Materials..... 143
- TRINITY TURBINE – SCAFFOLDING 144**
- TRINITY TURBINE - HAZARD COMMUNICATION (HAZCOM) PROGRAM 148**
- TRINITY TURBINE - EXCAVATIONS, TRENCHING AND SHORING 154**
- TRINITY TURBINE – LADDER SAFETY 157**
- TRINITY TURBINE – AERIAL LIFTS & FORKLIFTS..... 160**
- I. Operating Aerial Lifts (Scissor) and Forklifts 160
- II. Preparing for Scissor lift and Forklift Operations..... 160
- III. Driving Scissor lifts and Forklifts 161
- IV. Parking Forklifts 164
- V. Maintaining Scissor lifts and Forklifts 164
- TRINITY TURBINE - POWERED INDUSTRIAL TRUCKS..... 167**
- TRINITY TURBINE - MACHINE AND TOOL SAFETY 173**
- I. Introduction 173
- II. Policy..... 173

III. Guards and Safety Devices.....	176
IV. General Precautions.....	176
V. Portable Electric Tools - Safety Precautions	177
VI. Pneumatic Tools - Safety Precautions.....	177
VII. Liquid Fuel Tools - Safety Precautions	178
VIII. Powder-Actuated Tools - Safety Precautions	179
IX. Hydraulic Power Tools - Safety Precautions	180
X. Training	181
TRINITY TURBINE - WELDING, CUTTING, BRAZING AND HOT WORK OPERATIONS	182
I. Policy Statement.....	182
II. Responsibility:.....	182
III. Ensuring Personal Safety.....	182
IV. Preventing Fires	185
V. Performing Welding.....	186
VI. Guidelines for Operating and Maintaining Fuel-Gas and Oxygen Supply Equipment	188
VII. Selecting, Marking and Storing Cylinders	189
VIII. Hot Work Operations.....	190
IX. Training	193
TRINITY TURBINE – EHS AUDIT AND INSPECTION GUIDELINE.....	195
TRINITY TURBINE - PROCESS SAFETY MANAGEMENT	198
TRINITY TURBINE - ACCESS TO EMPLOYEE EXPOSURE AND MEDICAL RECORDS	200
TRINITY TURBINE - AIR MONITORING PROGRAM	208
TRINITY TURBINE– PERFORMING GRINDING OPERATIONS	210
I. PERFORMING GRINDING OPERATIONS	210
II. Safety Precautions for All Equipment	210
III. Operating Grinding Equipment.....	211
IV. Maintaining Grinding Equipment.....	212
TRINITY TURBINE - INCIDENT REPORTING	213
